MEMORANDUM FOR: Special Assistant to Director of Intelligence
Department of State

SUBJECT : Current Status of Psychological Intelligence Project

REFERENCE : Memorandum for the DCI from the JIC dated 7 March 1951,
Subject: "Estimates of Psychological Factors"

1. Among the projects in the field of Psychological Intelligence turned over to the Office of Intelligence Research by this Agency was a lengthy study of psychological factors in a number of countries requested by the Joint Intelligence Group. The Central Intelligence Agency has received the attached inquiry from the Joint Intelligence Group concerning the status of this project.

2. We are informing the Joint Intelligence Group that the project has been turned over to the Department of State and that their inquiry is being forwarded to you for reply.
